

Minneapolis Ski Club

## The Minneapolis Ski Club Ski Jumping Equipment Rental Agreement

All skiers are allowed to purchase and use their own ski jumping equipment for use on all of our hills. If you do not own ski jumping equipment, the cost to rent ski jumping equipment (Skis, Bindings and Boots) from the Minneapolis Ski Club is \$100 per skier, per year. This usually begins at the beginning of the winter season and goes through the following summer season. Should a skier outgrow the equipment provided at the beginning of the year, there is no charge to swap out with appropriately sized equipment throughout the year. The club also has a limited amount of extra equipment including suits, helmets, etc. that may also be provided, depending on availability.
